¹ A minimum of algebra I, geometry, algebra II and one higher level math are required for admission to a public Florida university.

² Career/Technical Education

³ A minimum of two years of the same foreign language are required for admission to a four-year university. (May be waived by a public Florida university if student meets proficiency in other ways. See your counselor for details.)

⁴ See your counselor for information about registration and fee waiver eligibility. Concordant scores are determined based upon student's cohort.

⁵ This requirement does not apply to students who complete the course prior to this year.

Inlet Grove High School Policy: Unless a letter of college/university acceptance or documentation stating military enlistment is provided, students will not be permitted to participate in graduation.
