Dear Parents/Guardians:

The Florida Department of Education has released the 2013-2014 School Public Accountability Reports (SPARs). These reports have been generated to comply with federal legislation that requires annual report cards on the educational progress of schools.

For each school, the SPARs include information on:

- state goals relating to Annual Measurable Objectives (AMOs),
- student performance,
- learning environment, and
- teachers and staff.

Our school's report is available for viewing at

- the school
- the school website <http://www.inletgrovehs.com>
- the FDOE website,
<http://doeweb-prd.doe.state.fl.us/eds/nclb spar/index.cfm>

Copies of the SPAR will be made available upon request.

Sincerely,

Emma Banks, Ph.D.
Principal
