

6-12 Science Teacher

Inlet Grove High School, Palm Beach County, Florida

Position Type: Full-Time, Academic Year

About Inlet Grove High School:

Inlet Grove High School is an “A” Rated high performing public charter school committed to providing students with a comprehensive and innovative education that prepares them for successful careers in various fields. Our school emphasizes Project-Based Learning and offers a wide range of industry certifications, ensuring our students graduate with both academic knowledge and practical skills.

Job Description:

Inlet Grove High School is seeking a 6-12 Science Teacher will deliver engaging and comprehensive science instruction to students in grades 6 through 12, fostering a stimulating learning environment that encourages scientific inquiry, critical thinking, and problem-solving skills. This position requires a passion for science education and a commitment to student success.

Responsibilities:

- Develop and implement engaging, standards-based lesson plans aligned with the Florida State Standards for Science.
- Teach a variety of science subjects, which may include but are not limited to: Biology, Chemistry, Physics, Earth/Space Science, Environmental Science, and Integrated Science.
- Create a positive and inclusive classroom environment that promotes active learning, collaboration, and respect for diverse perspectives.
- Utilize a variety of instructional strategies and resources, including hands-on activities, experiments, technology integration, and differentiated instruction, to meet the diverse learning needs of students.
- Assess student learning through various methods, including formative and summative assessments, projects, presentations, and lab reports.
- Provide regular feedback to students and parents regarding student progress and areas for growth.
- Maintain accurate records of student attendance, grades, and performance data.
- Collaborate with colleagues, administrators, and parents to support student success.
- Participate in professional development opportunities to enhance teaching skills and content knowledge.
- Adhere to all school and district policies and procedures.
- Maintain a safe and organized classroom environment.
- Supervise students in various settings, including classrooms, labs, and school events.

Other Duties as Assigned:

Participate in school-wide activities and initiatives, such as faculty meetings, committees, and school events.

Serve as an advisor or mentor to students.

Assist with extracurricular activities or clubs related to science.

Contribute to the development and improvement of curriculum and instructional materials.

Perform other duties as assigned by the school administration.

Qualifications:

- Bachelor's degree in Science Education or a related field.
- Florida teaching certification in Science (Grades 6-12) (Temporary or Professional).
- Demonstrated knowledge of science content and pedagogy.
- Experience working with middle and/or high school students preferred.
- Strong communication, interpersonal, and organizational skills.
- Ability to differentiate instruction to meet the needs of all learners.
- Proficiency in using technology for instruction and assessment.
- Commitment to fostering a positive and inclusive learning environment.

Preferred Qualifications:

- Master's degree in Science Education or a related field.
- Experience teaching in a diverse educational setting.
- Experience with inquiry-based learning and STEM education.

Application Process:

Interested candidates should apply online through the www.inletgrovehs.com website. Please include a resume, cover letter, and copies of your teaching certification and transcripts.

Salary and Benefits:

- Salary and benefits are commensurate with the Palm Beach County School District's schedule and benefits package.
- Comprehensive benefits package, including health, dental, and retirement plans.
- Professional development opportunities.
- Supportive and innovative teaching environment.
